Current Municipal Code allows for commercial businesses to utilize public sidewalk space in front of their building when certain criteria are met. In response to Governor Walz's executive order providing guidelines on the first phase of restaurant reopening, City Attorney Robert Scott and staff have drafted an emergency ordinance to allow for the commercial use of public property as follows: 1) public property must be directly abutting the brick and mortar location of the business; 2) bright, visible barricades demarcating the commercial use of public property; 3) proof of insurance must be provided (City added as additional insured); 4) businesses selling alcohol must complete an additional agreement with the City, and; 5) allowance for administrative approval of temporary street closure requests.

Following discussion, Council Member Fagerlie offered a motion to adopt, assign a number and order final publication of **Ordinance No. 1451 An Emergency Ordinance Temporarily Permitting Limited Sales of Goods and Delivery of Services within Public Rights-of-Way and Other City Property During the COVID – 19 Local Emergency.** Council Member Alvarado seconded the motion, which carried on a roll call vote of Ayes 7, Noes 0.

Council Member Fagerlie offered a motion to approve publication of said emergency ordinance temporarily permitting limited sales of goods and delivery of services within public rights-of way and other city property during the COVID-19 local emergency by summary due to the length and cost of publishing entire Ordinance.
